Postlude:

In Christ's day, God's people failed to recognize Him as they had not studied the prophecies as they should. This should encourage us to study for ourselves, that we might understand the issues and context surrounding the final, great deception.

In this study, we see that God raised up a message to fulfill the prophecy of Revelation chapter 10 and to reawaken the church regarding the doctrine of the Second Coming of Christ. With the Great Disappointment of October 22, 1844 behind us, a renewed study would direct us to the Heavenly Sanctuary in which Christ began His final mediatorial phase as typified in the Day of Atonement. (Leviticus 16)

As such, we must understand that we are in the Last Days of this earth's history.

When the Judgment closes in heaven, Jesus will return to redeem His faithful, commandment keeping people.
